

WE CAN provides financial, legal, career/business, mentoring, intake & direct referrals, and personal growth services for women on Cape Cod. These unique and practical services empower women to create lasting, positive change for themselves, their families, and our Cape community.

Blue Coast Beverages is proud to present specially selected wines to benefit WE CAN.

LODI CHARDONNAY

Chardonnay with wonderful fruit and freshness. Mild aromas of butter and pear are followed by very light vanilla and melon. A touch of acidity extends the finish.

A great wine to drink by the glass or with food, especially poultry, seafood, Asian, vegetarian, and spicy dishes.

LODI CABERNET SAUVIGNON

Great vintage, already an excellent cab! This is a medium-bodied, dry, and gently balanced wine with a smooth soft texture. Beautiful dark red color, with notes of raspberry, anise, pepper and vinified to match a wide range of foods, from red meats and game, roasted or from the grill, BBQ, pastas and even tuna.

Wine by Scotto Family Cellars.

The Scotto family has been crafting wines since 1883. Their wines reflect the finest attributes of their historic appellation.
